TERMS

Packing free when cash is received with order.

2% discount when payment is received within 10 days after receipt of goods.

We are located in the heart of the Chautauqua Grape belt where the best grape vines have been grown for over fifty years. During our forty years in this business we have been trying new varieties and discarding those that do not prove worthwhile. Do not hesitate to consult us as to the merits of any varieties you may be interested in.
